Cookies are used to make use of the site more convenient for you. **FindMyNanny.com** does not store personal data such as passwords, addresses, telephone numbers, or credit card information in cookies.

Cookies enable us to provide features such as access to nanny resume data and generation of communication between nanny and family that identifies the parties. For example, once you successfully log on to the site, a cookie is placed on your browser that indicates that you have logged on. Please note that the cookies that **FindMyNanny.com** places on your browser are eliminated when you shut down your browser. This prevents another user of your computer from spoofing your identity on the site.
